

## **2010 / 2011 SPEEDWAY SEDAN RACING CLUB SUPPLEMENTARY REGULATIONS**

### **SIGNAGE ON CARS**

- 1.** Cars must carry all specified signage during the entire meeting. A diagram of a super sedan is provided which indicates where sponsor signage is to be located. The decals will be provided by the Speedway Sedan Racing Club (SSRC) / Perth Motorplex officials and will include but not be limited to NASR and SSA decals.
- 2.** The series sponsors name should be displayed on the leading edge of the roof and the contingency stickers should be positioned on the right hand side of the car as close to the right hand front wheel as possible.
- 3.** Any drivers who fail to attach sponsor decals / stickers / signage to their race car as directed by the SSRC / Perth Motorplex Race Director will be penalised. Penalties will be automatic rear of the field in the heats and final. They will not be eligible for any prize monies. It is the responsibility of each driver to ensure damaged or removed decals are replaced when necessary. The SSRC / Perth Motorplex Race Director may grant an exemption in extreme circumstances (eg. decals are not available), but an exemption must be sought and granted before the first of any races in which the exemption will apply.
